

Kestrels Home Learning Wednesday 22<sup>nd</sup> April  
Weekly tasks to do when possible:

**Grammar:** Investigate different tenses. When are they used? Write the same sentence in different tenses.

**Spelling:** Practise writing words with the suffixes -cial and -tial and then cover them and rewrite them.

**Arithmetic:** Practise saying the square numbers/ cube numbers up to  $12 \times 12$  /  $12 \times 12 \times 12$  (or beyond)

Please make sure you are reading daily, for at least 20 minutes.

Today is Earth day!

Instead of doing your Japan work today you have the option of completing some fun activities to do with Earth day!

There will be a separate post with some optional ideas for you to look at on our Facebook page, alternatively, why not search for some unique ideas on the internet!

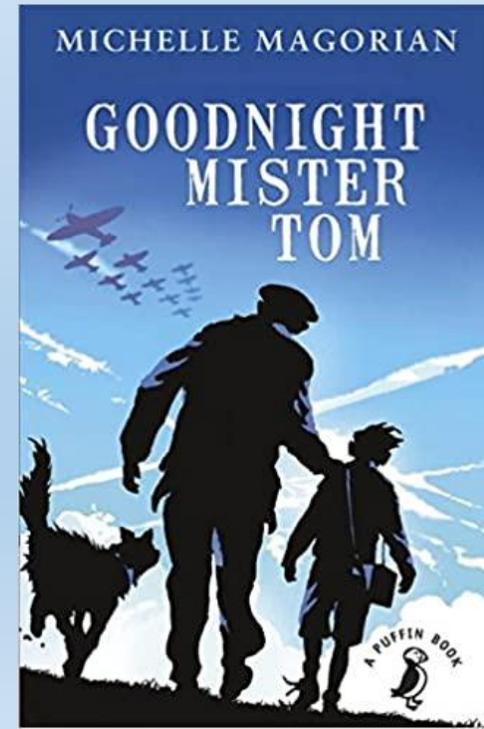

## Kestrels - Wednesday 22<sup>nd</sup> April 2020

Maths- Converting times into 24hrs.

English- Writing a postcard home as Willie.

## Maths

L.O: To convert times to the 24hr clock.

Challenge of the week linked to our Maths topic: Can someone time you doing an exercise of your choice? Daily mile around the garden, 20 star jumps... Can you get quicker throughout the week? How will you know if you have become quicker? Can you work out how much quicker?

### Wednesday:

Go back to your diary you kept yesterday of the different times you completed activities throughout the day.

Can you have a go at converting these times into the 24 hour clock?

Can you remember how to convert a time into the 24 hour clock?

Are there any other clocks in the house that are in 24 hour format?

Can you read their time aloud in the 12 hour clock?

Challenge: Can you look at when some of your favourite TV programmes start in the day? Can you write these times in the 24 hour clock?

## English

L.O: To write a postcard as Willie.

Willie has changed a lot! I would like you to write a postcard home from Willie to his mum. Think carefully about what he would include and what he would leave out. For example, would he want his mother to know that he is friends with Zach?

You could design the front of your postcard to go along with this.
