

Music Golden Threads

'Music is a universal language that embodies one of the highest forms of creativity' - National Curriculum, 2014.

At Churchside Federation, we are passionate about and committed to providing a music curriculum that engages and inspires children to develop a love of music, as well as their talent as musicians. Using Charanga as our scheme, children gain a firm understanding of what music is through listening, singing, evaluating, improvising and composing across a wide variety of styles, traditions and musical genres. We also use music to provide an enriched stimulus for the children's learning, relating it to areas of the curriculum they are enjoying and the children enjoy performing music daily during our Collective Worship.

Golden Threads

These Golden threads apply across all year groups. Their application is alongside the national curriculum objectives.
