What have we
been up to?

Owls & Goslings

This week in Owls & Goslings, we made elderflower cordial! Nursery have been identifying & exploring 'f' sound for flowers, fill, fish. Reception have written about pixies and magical pixie dust for their big write and begun to explore addition in maths. We were also very excited to have a special delivery of things for cats and dogs, so we made 'Owls animal shelter' for lost cats and dogs.

Skylarks

This week in Skylarks, we wrote about a bear's journey to a new habitat for our Big Write. We thought about obstacles the bear might face and listened to 'We're going on a bear hunt' to think about sound effects that the obstacles might make, like squelchy mud! In Art we learnt about Roman pottery and designed and sculpted our own coil pots.

Kestrels

This week in Kestrels, the Year 5 and 6s went to Thorpe Woodland and completed some fantastic challenges. They canoed and completed a high ropes course as well as working as a team to complete some challenges in the woods. We have also been writing our Big Writes and I have been so impressed with the children's determination to get them finished! The children's writing has progressed so much and their writing is incredibly imaginative.
