Owls & Goslings

This week in Owls & Goslings, it was world bee day on Monday, and Goslings focused on the sound 'B', making Banana Bread cakes! Owls & Goslings went on a treasure hunt, reading and working out the clues on the hidden treasure pieces, until they reached X marks the spot. Owls wrote fantastic sentences, about what you need to become a pirate. This included, compasses, cutlasses & a few eye patches.

Skylarks

This week in Skylarks, we learnt all about Boudicca and performed speeches to persuade people to join our tribe. Lots of us decided we would fight with Boudicca because her speeches were so persuasive! We have also been doing lots of money activities in maths such as coin crayon rubbing and making price lists for our fruit at snack time. We have been 'buying' our snack with different combinations of coins.

Kestrels

This week in Kestrels, Y6 went to PGL for their residential trip! Lots of updates have been posted on our school Facebook page. Y4 + Y5 have been looking at how animals and plants adapt to their environments. In Art we have been creating our own surrealism pieces and researching Salvador Dali.
