

SEND Information Report for The Churchside Federation 2023-2024

Updated June 2024

Part of the Norfolk Local Offer for Learners with SEND

Introduction

Welcome to our SEND information report which is part of the Norfolk Local Offer for learners with Special Educational Needs and disabilities (SEND.) All governing bodies of maintained schools. maintained nursery schools and Academies have a legal duty to publish information on their website about the implementation of the governing body's policy for pupils with SEND. The information published must be updated annually.

At The Churchside Federation we are committed to working together with all members of our Academy community. This local offer has been produced with pupils, parents/carers, governors, and members of staff. We would welcome your feedback and future involvement in the review of our offer, so please do contact us. The best people to contact this year are:

Sarah Godbold Executive Headteacher
Leona Brown Head of School Mundford
Katie Tinkley Federation SENCO

Katie Tinkley Federation SENO Chrissie Brooks SEND Governor

If you have specific questions about the Norfolk Local Offer please look at the Frequently Asked Questions can be found on the Norfolk County Council, SEND changes web site http://www.norfolk.gov.uk/Childrens services/Special educational needs (SEN)/SEND_changes/index.htm

Alternatively, if you think your child may have SEND please speak to their Class Teacher or contact our SENDCO Katie Tinkley on (01842 878278) or katie.tinkley@mundford.dneat.org

Our Approach to Teaching Learners with SEND

At The Churchside Federation we believe in participation for all. We want all adults and children to participate in learning and we celebrate all members of our community. We want to create an inclusive culture in our Federation and we aim to be responsive to the diversity of children's backgrounds, interests, experience, knowledge and skills.

We value high quality teaching for all learners and actively monitor teaching and learning in the Academy. For more information on our approach please see our teaching and learning policy.

We aim to create a learning environment which is flexible enough to meet the needs of all members of our A community. We monitor progress of all learners, staff continually assess ensuring that learning is taking place. Our system for monitoring progress includes regular pupil progress meetings. We use the Hygge approach in our classroom to create a calm and safe learning space.

Learning for all.

At different times in their Academy career, a child or young person may have a special educational need. The Code of Practice defines SEND as:

"A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory Academy age or a young person has a learning difficulty or disability if they:

- (a) have a significantly greater difficulty in learning than the majority of others of the same age: or
- (b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream Academies or mainstream post-16 institutions."

If a learner is identified as having SEND, we will provide provision that is 'additional to or different from' the normal differentiated curriculum, intended to overcome the barrier to their learning.

Learners can fall behind in the Academy for lots of reasons. They may have been absent from the Academy, they may have attended lots of different Academies and not had a consistent opportunity to learn. They may not speak English very well or at all, they may be worried about different things that distracts them from learning. At The Churchside Federation we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. This does not mean that all vulnerable learners have SEND. Only those with a learning difficulty that requires special educational provision will be identified as having SEND.

Mundford Church of England Primary Academy SEND Profile
Our SEND profile for 2023-24 shows that we have 20 of 240 children identified as having SEND.
of those 4 have an Education, Health and Care Plan
7 of children are identified as having SEND linked to Cognition and Learning
5 linked to Communication and Interaction
4 are linked with Social, Emotional and Mental Health

Gooderstone Church of England Primary Academy SEND Profile
Our SEND profile for 2023-24 shows that we have 11 of 63 identified as having SEND.
1 pupil has an EHCP
7 of children are identified as having SEND linked to Cognition and Learning
3 linked to Communication and Interaction

Assessing SEND

Class Teachers, support staff, parents/carers and the learner themselves will be the first to notice a difficulty with learning. At The Churchside Federation we ensure that assessment of educational needs directly involves the learner, their parents/carers and of course their Teacher. The Special Educational Needs Co-ordinator (SENCO) will also support with the identification of barriers to learning. We have a range of assessment tools available within the Academy.

For some learners we may want to seek advice from specialist teams. In our Academy and cluster we have access to various specialist services but may have to be commissioned from our Academy budget. We have access to services universally provided by Norfolk County Council, which are described below:

The agencies used by the Academy include:
ASD specialist support assistant team,
Educational Psychologist from The Acorn Team
EPSS for Social, Emotional and Mental Health support
CAMHS (Child & Adolescent Mental Health Service)
Attendance Officers
Inclusion Officers
School to School Support
Special Resource Bases
ATT, Access through technology services. (Profession or medical referral only)
Virtual Academy for Sensory support, to support pupils with hearing/visual Impairment
Children's Therapy Team (Speech & Language/Occupational/physiotherapy therapy)

We also employ 7 Full Time and 9 Part Time Learning Support Assistants across the Federation who help support in class and deliver group and 1 to 1 interventions.

What we do to Support Learners with SEND

Every Teacher is required to adapt the curriculum to ensure access to learning for all children in their class. The Teacher Standards 2012 detail the expectations on all teachers, and we at The Churchside Federation are proud of our Teachers and their development. The Teacher standards are at https://www.gov.uk/government/publications/teachers-standards

Our Teachers will use various strategies to adapt access to the curriculum, this might include using:

- Visual timetables
- Writing frames
- I-pads, laptops or other alternative recording devices
- Peer buddy systems
- Kinaesthetic Approaches to learning and engaging pupils
- Enhanced Provision to support and extend learning

Each learner identified as having SEND, is entitled to support that is 'additional to or different from' a normal differentiated curriculum. The type of support is dependent on the individual learning needs, and is intended to enable access to learning and overcome the barrier to learning identified.

Funding for SEND

• Funding is now allocated by LA where Top Up funding can be applied for using the INDES (Identification of Needs in Educations Settings) and can be applied for throughout the year.

How do we Find Out if this Support is Effective?

Monitoring progress is an integral part of teaching and leadership within The Churchside Federation. Parents/carers, pupils and staff are involved in reviewing the impact of interventions for learners with SEND. We follow the 'assess, plan, do, review' model and ensure that parents/carers and children are involved in each step. Before any additional provision is selected to help a child, the SENCO, Teacher, parent/carer and learner, agree what they expect to be different following this intervention. A baseline will also be recorded, which can be used to compare the impact of the provision.

Children, Parents/carers and their Teaching and Support Staff will be directly involved in reviewing progress. This review can be built in to the intervention itself, or it can be a formal meeting held, where all discuss progress and next steps. If a learner has an Education Health and Care Plan (EHC plan) the same review procedures take place, but the EHC plan will also be formally reviewed annually.

The SENCO and Head of School collates the impact data of interventions, to ensure that pupils are making progress with their learning.

Progress data of all learners is collated by the whole Academy and monitored by Teachers, Senior Leaders and Governors. Our Academy data is also monitored by DNEAT, Local Authority and Ofsted.

Other Opportunities for Learning

All learners should have the same opportunity to access extra-curricular activities. At The Churchside Federation in 2023-24 we are offering a range of additional clubs and activities. These can be found on our Academy web page or by contacting our Academy Office.

We are committed to making reasonable adjustments to ensure participation for all, so please contact our Executive Headteacher or SENCO to discuss specific requirements.

All staff at The Churchside Federation work within the Equality Act 2010. This legislation places specific duties on Academies / Schools, settings and providers including the duty not to discriminate, harass or victimise a child or adult linked to a protected characteristic defined in the Equality Act and to make 'reasonable adjustments.'

The Equality Act 210 definition of disability is:

"A person has a disability for the purposes of this Act if (s)he has a physical or mental impairment which has a substantial and long-term adverse effect on his ability to carry out normal day-to day activities."

Section 1(1) Disability Discrimination Act 1995

This definition of disability in the Equality Act includes children with long term health conditions such as asthma, diabetes, epilepsy, and cancer. Children and young people with such conditions do not necessarily have SEND, but there is a significant overlap between disabled children and young people and those with SEND. Children and young people may therefore be covered by both SEND and disability legislation.

For more information about the Equality Act, the protected characteristics or duties on public bodies, please follow this link

https://www.gov.uk/equality-act-2010-guidance

Preparing for the next step

Transition is a part of life for all learners. This can be transition to a new class in the Academy, having a new teacher, or moving on to another Academy, training provider or moving in to employment. The Churchside Federation is committed to working in partnership with children, families and other providers to ensure positive transitions occur.

Planning for transition is a part of our provision for all learners with SEND. Moving classes will be discussed with the parents and child at their summer term review meeting. Transition to a secondary Academy of children with statements of EHC will be discussed in the summer term of their Year 5, to ensure time for planning and preparation.

Have your say

The Churchside Federation is part of the community. We try our best to shape and develop provision for all of our learners ensuring achievement for all. This SEND report declares our annual offer to learners with SEND, but to be effective it needs the views of all parents/carers, learners, governors and staff.

EQUALITY VERSUS EQUITY

In the first image, it is assumed that everyone will benefit from the same supports. They are being treated equally.

In the second image, individuals are given different supports to make it possible for them to have equal access to the game. They are being treated equitably.

In the third image, all three can see the game without any supports or accommodations because the cause of the inequity was addressed.

The systemic barrier has been removed.
