25th January 2025
Spring Issue 18

After 40 days and 40 nights of going without eating, Jesus was hungry. The tempter came to him. He said, "If you are the Son of God, tell these stones to become bread."

Jesus answered, "It is written, 'Man must not live only on bread. He must also live on every word that comes from the mouth of God.'" (**Deuteronomy 8:3**)

What have we been up to?

This week in Owls & Goslings, we have been working really hard to write our own version of The magic paintbrush story. The children used their phonic knowledge to have a go at writing super sentences. We have also answered Arthurs Question 'How do you draw a person?' and looked at the work of Picasso. It was really fun to cut up photographs of ourselves and create abstract pieces.

This week in Skylarks, we have been learning about the 4 countries of the UK, the sports they play, famous human and physical features and the foods they eat. We all agreed Welsh rarebit looked delicious, but weren't so sure about haggis! We also looked at Matilda's question in Science, 'How are pet cats and big cats different?' We investigated cat skeletons and saw that big cats have really powerful back legs for pouncing and much bigger teeth!

This week in Kestrels, we have started to create our final pieces for Bisa Butler where we drew portraits of influential woman and then used harmonious colours from the colour wheel to shade the piece in her style.
